### CIRCULAR (SCHOLARSHIP)

**Subject: - Working Internships in Science and Engineering (WISE) DAAD  
(German: Deutscher Akademischer Austauschdienst)**

The programme targets Indian students pursuing a degree in the fields of science and engineering who wish to do a research internship at a publicly-funded German higher education institution or a research institute.

A research internship at a public or state-funded higher education institution or a non-university research institute in Germany to work under doctoral students, scientists or professors as a part of their ongoing research projects.

A 2 to 3-month research stay spanning between the months of May and August. Internships of less than 60 days and more than 90 days cannot be supported under the scheme of this programme. The grant is non-renewable.

A monthly scholarship of 861 euros for undergraduate students (the monthly instalment will be calculated on a daily basis, i.e. 25 euros per day). A lump sum travel subsidy of currently 1,050 euros. Payments towards health, accident and personal liability insurance covered by DAAD.

#### **Students who wish to apply must meet the following criteria:**

1. They should belong to one of the selected Indian higher education institutions influenced by, but not limited to, the following factors: AICTE approval, NAAC accreditation, MHRD evaluation, INI (Institute of National Importance) status established before 2010 and availability of 4- and 5-year undergraduate and integrated Master's degrees respectively.
2. They should be enrolled in programmes which can be classified under the broad fields of engineering, mathematics and natural sciences.
3. They should be in the 5th or 6th academic semester of a 4-year Bachelor's programme or in their 5th, 6th, 7th or 8th academic semester of a 5-year integrated or dual degree (Bachelor-Master) programme.
