NOTICE FOR SELECTION OF USIP INTERNS FOR DTU-IIF STARTUPS

Delhi Technological University has launched University Student Internship Program (USIP) to engage DTU students in various activities of the university in December 2016. To strengthen the activities in respect of this and vision, the university has launched the DTU-Innovation and Incubation Foundation (DTU-IIF) program within DTU Campus. The impetus of the program is to provide opportunity to expose students to real time projects and novel innovations to bridge the gap between Industry and Academia. This also helps university in improving processes and activities undertaken time to time. The USIP interns for startup companies incubated at DTU-IIF have to contribute towards various portfolios like Content writing, Social Media Marketing, Graphic Designer, Electronics Engineer, Human Resource, Product research and development, 3D animator, Mechanical Design and Simulation, Backend developer, Flutter developer, UI Design, Biotech research, Marketing & Research, ML/AI Programmer, Content Creator, Front end developer, Full Stack Developer, Embedded Software (C, C++, Arduino), Android Developer, and Web Developer.

Applications are invited from the students of DTU who are interested in above mentioned portfolios. The selected interns would be needed to devote minimum 8 hours per week including weekends/holidays and will be paid Rs. 3500/- per month.

It is now planned to select interns for next round tentatively on 1st or 2nd week of August, 2023.

The interns are expected to work in OFFLINE mode ONLY, so only those who are really interested and can report to DTU campus, need to apply. All the interested students are required to fill in the online form at the link:

<https://forms.gle/DxSDMWkjNSPAR7an6>

The last date for submitting the form is 30/07/2023, Sunday, 05:00 PM. Shortlisted applicants will be informed via e-mail/DTU website. The applicants are required to see the university website for further updates.
