DTU/CC/2022-23/527-532

Dated: - 02nd Sep 2022

OFFICE ORDER

To further enhance DTU network security and authorized user access, it is to inform that all students connecting to DTU network will be required to authorize themselves before they can access Internet facilities. This feature will be activated from 10th Oct 2022. All students are informed to register via below link to get their network login credentials on their registered email before this date.

Link for registration:
DTU Website (www.dtu.ac.in) → Facilities → Computer Centre → Internet Login Credentials

Students are advised to send mail on nwauth@dtu.ac.in in case they face any issue regarding registration for network authentication credentials from their DTU registered email.

Further, all Dean/HoD/Faculty/Staff/Officers are requested to visit Computer Centre to set their Network Authentication credentials before 10th Oct 2022.

NOTE :: Network Access Login Credential are confidential and should not be shared with anyone else.
