The University Grants Commission had earlier notified the **UGC (Credit Framework for Online Learning Courses through SWAYAM) Regulations, 2021** during March, 2021 which facilitates an Institution/University to allow credit transfer up to **40% of the total courses** being offered by any higher education institution in a particular programme in a semester through online learning courses on SWAYAM Platform. **AICTE has also adopted the credit transfer up to 40% on UGC pattern in continuation of AICTE (Credit Framework for Online Learning Courses through SWAYAM) Regulation** and has already requested all Universities/Institutions/Colleges, from time to time, to allow credit transfer up to 40% of the total courses being offered in a semester through SWAYAM. As per Para 4.1 of UGC (Credit Framework for Online Learning Courses through SWAYAM) Regulations, 2021, the schedule of the SWAYAM based online credit courses shall be aligned with the conventional education semester commencing in the month of **January and July of every year**. With this, the students studying in conventional Institutes/Colleges can transfer the credits earned through the SWAYAM Courses into their academic records. About 295 Institutions/Universities have recognized the SWAYAM Courses for credit transfer so far and many others are in the process of doing the same.

In view of above, all HoD/Directors are requested to explore the feasibility for credit transfer in respect of these Courses as per University Grants Commission (Credit Framework for Online Learning Courses through Study Webs of Active Learning for Young Aspiring Minds) Regulations, 2021. This will enable Students from all streams of the respective Universities/Institutions to be aware of the same and encouraged to benefit from the credit transfer of high-quality MOOCs courses of SWAYAM.
