Dated 6/6/24

CIRCULAR

Subject: Centralized Time Table Slots for B. TECH. (AY 2024-2025) for 2nd /3rd/ 4th final year.

Classes for the AY 2024-2025 will commence in August 2024. As per the University directives, the following guidelines, proposed by University Time-table Committee (UTTC), are to be adhered to while preparing the Time Table (TT) for the AY 2024-2025.

Guidelines for 2nd year time-table (AY 2024-2025)

1. Core courses of the 2nd year which are included in the Minors tracks offered by the department must be assigned in slots E1 to E4 as given in Table 1. All departments having multiple sections for a discipline must ensure that the TT of at least one section should be prepared as per given slots. This will facilitate students of 3rd/4th year, who are pursuing any Minor specialization, to register for minor core subjects of 2nd year against their electives.
2. Time-table of the core course should be prepared so as to accommodate the reregistered students of the 3rd year.

Guidelines for 3rd year time table (AY 2024-2025)

1. The Slots for core and elective courses for 3rd year are shown in Table 2.
2. Slots for core courses (excluding core courses of 3rd year which are included in any of the Minor specializations) have been marked as **Core**.
3. All elective courses in 3rd year (**including** electives in the Minor basket) are to be offered in E1 to E5.
4. Slot E6 is earmarked as a **Universal slot**. This slot shall be kept empty by default, and may be used elective/core interchangeably OR for conflict resolution by departments. This slot can be used for a combined/separate section for 3rd and 4th year students.
5. **At least one section of the core courses of 3rd year** that are also included **in the basket of elective courses of Minor specialization** must be offered in the slots E1 to E5 only (or E6 as may be required). This will facilitate those **3rd/4th year** students who have registered for these courses under Minor specialization.
6. Time Table of core course should be prepared so as to accommodate the re-registered students of the 4th year.

Guidelines for 4th year time table (AY 2024-2025)

1. The Slots for core and elective courses for 4th year are shown in Table 3.
2. As all courses **of 4th year** are elective courses, hence are to be offered in **slots E1 to E10 except E6**. However, the electives which are also included in Minor specializations must be offered in the slots E1 to E5 only. This will facilitate registration of those 3rd year students who are pursuing any Minor specialization.
3. **Slot E6** is earmarked as a **Universal slot**. This slot shall be kept empty by default, and may be used elective/core interchangeably OR for conflict resolution by departments. This slot can be used for a combined/separate section for 3rd and 4th year students.

Further '**Zero Hour**' earmarked in the timetable should be kept free for all faculty and students so that this slot can be utilized for various departmental and university level activities like colloquium series/lecture series in various aspects of communication skills etc.

(Prof. Rajeshwari Pandey)
Dean Academic (UG)
